

Troop 1936 Coin Reward Program

How do I earn coins? Each meeting you will have the opportunity to earn a maximum of 2 coins. To earn your first coin you must meet all four:

1. Be on time. That means arriving by **5:30pm**
2. Wear your uniform. Sometimes we have guests and we want to be in uniform when they are there.
3. Bring your bag to every meeting. You might not always need it but you should have it just in case
4. Be respectful. This means if someone is talking you are listening.

How do you earn your second coin? This is up to you. Could be helping to clean up when you are not the clean up leader, welcoming new friends to our meeting, helping your friend with the project we are working on (if they want help). Following the Girl Scout Law will definitely help you earn the second coin!

NEW THIS YEAR!!!!

You will get a chance to do TWO big events, one in Winter and one in Spring. It could be a trip to an indoor trampoline park, build a bear, or it could be Funtown. BUT you will have to help earn your way there. How do you earn your way?

1. As a troop earn a total of 150 coins with each girl having a minimum of 10 coins
2. Participate in the Fall product sale and sell a minimum of 18 nuts and candy
3. Participate in cookie sale and sell a minimum of 24 boxes of cookies

If you need to “rent” scissors, markers, pens, etc. because you didn’t bring your bag. We will be charging ONE coin so it will behoove you to bring your bag each meeting.

I/We understand the expectations set forth by our troop leaders for the 2022-2023 year:

Girl Scout

Parent
